

Emergency Shower Systems

# NEW IMPROVED RANGE

**BROEN-LAB**

94G0248 - 11.12.2024

**BROEN-LAB**

# BENEFITS

## OF THE NEW RANGE

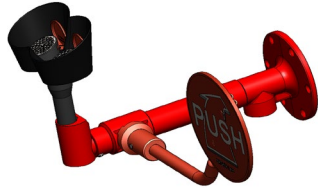

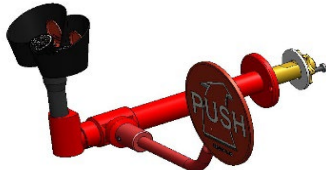

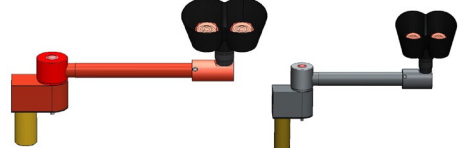

BROEN-LAB has developed the new emergency shower range, which comply to EN15154 and ANSI Z358.1 norms and also offer many improved features as listed below:

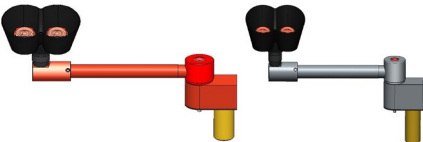

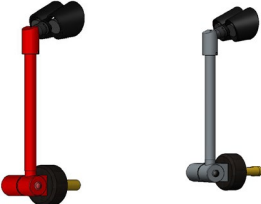

- Stronger wall flange with 6 holes for wall mounted models with exposed piping.
- Plug and Play Spare Parts
- Improved functionality

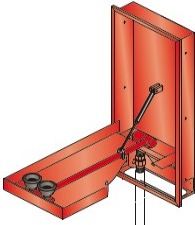

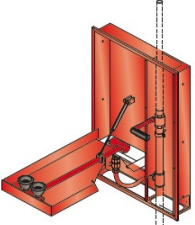

Just like the old range the improved products still have:

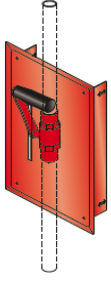

- Flow rate in according to EN15154
- Spray pattern according to the EN 15154
- Plug and Play assembly
- Anti-limescale design and material
- Long lifetime
